Dear author,

Greetings!!!!

The review and selection process for your paper ID SPCS 1015 entitled "**Hybrid Quantum–Classical Machine Learning for Cancer Drug Response Prediction in Cell Lines Learning**" has been complete. **Based on the recommendations from the reviewer(s) assigned for your paper, I am pleased to inform you that your paper has been ACCEPTED by the Technical Program Committee (TPC) for the Eighth International Conference on Advances in Electrical and Computer Technologies 2026 (ICAECT 2026) to be held at Sengunthar Engineering College (Autonomous), Tiruchengode, Tamil Nadu, India during 24 - 25, July 2026.**

Publication

The proceedings of ICAECT 2026 will be published in TWO volumes, one by CRC Press (Taylor and Francis) and another by Atlantis Press (Springer Nature). Your paper has been accepted to be published in any one of these options based on your interest. Please check for the publishers and the indexing details in their respective websites.

Option 1: The proceedings of ICAECT 2026 will be published by **CRC Press (Taylor & Francis)** as a proceedings book entitled "Advances in Electrical and Computer Technologies". The proceedings book will be submitted for indexing in leading indexing databases such as Scopus, CPC-I (Clarivate Analytics – Web of Science) , etc. Please [click here](#) for the official webpage of Taylor & Francis book chapter publications.

Option 2: The proceedings of ICAECT 2026 will be published by **Atlantic Press (Springer Nature)** as conference proceedings as volumes in a subject-specific series. Upon publication, will distribute your proceedings through a variety of channels, including third-party databases. Please [click here](#) for the official webpage of Atlantis Press (Springer Nature) proceedings book titled: Advances in Engineering Research and its indexation details.

Registration

The registration for ICAECT 2026 is already open, hence you are requested to complete the registration process as soon as possible. Please check the registration details of ICAECT 2026 [here](#) and proceed your registration accordingly. Files to be submitted after the registration

The following documents shall also be submitted along with the camera ready paper. All the below documents are available in the website at <http://icact.co.in/downloads/>

1. Camera ready paper strictly in CRC Press publication template (in Microsoft office word file/Latex source file). [Click here](#) for Word file template
2. Camera ready paper in pdf format
3. Fill the registration form by [clicking here](#) (No need to submit; just fill the form)
4. License to publish form by [clicking here](#)

5. Permission verification form by [clicking here](#)

Please send the soft copies of all the above documents to icaect2026@gmail.com once you paid the registration fee.

Guidelines for submitting full length papers shall be available at our conference web-link under downloads section (<http://icact.co.in/downloads/>). I suggest you carefully format your paper according to CRC Press guidelines.

Important - Please check the following before submitting final camera paper:

1. Title should be clear and reflect the content of the paper precisely.
2. Please make sure that the plagiarism content of the paper is less than 20% in case of Turnitin check or 25% in case of iThenticate check (with references).
3. Author(s) name and affiliations are in order (Do not include the designation of authors such as Lecturer, Professor, Research scholar, student and so on..)
4. Do not include prefix to any authors such as Dr., Mr and so on..
5. Please pay attention and ensure that the language of the paper is good. Please note that post conference, the publisher shall evaluate each paper of the proceedings for the **language proficiency** in order to maintain good language quality of the entire proceedings for better international visibility. In that case, if your paper needs language correction, it will be carried out by the publisher themselves before the proceedings appear online. The publisher shall charge for their language editing service for such papers warranted for corrections, and it should be paid by the corresponding authors based on the corrections before the proceedings appear online. Hence it is requested to carefully check for the language and make sure of the good quality in the Camera Ready Paper.
6. At-least five keywords must be provided
7. Citations of the references in the body of the paper are in line with the CRC Press template.
8. Proposed method has been clearly explained.
9. The organization of the paper is good.
10. All the figures and graphs given in the paper are in good resolution.
11. All the equations are typed using equation editor software.
12. Reference list is in accordance to CRC press format.
13. Do not include author(s) biography at the end of the paper.
14. Please do not use first person pronouns such as I, we, us and extra throughout the paper.
15. In the acknowledgement section, do not acknowledge the co-authors and also the affiliated Institute/center.

Papers, not strictly following CRC Press formats, may be declined to be published in CRC Press series / Springer Nature. The camera ready papers in Microsoft office word document shall be submitted to the same mail id (icaect2026@gmail.com) as soon as possible. Other formats of the camera ready paper such as Latex will be accepted by the ICAECT publication office. However, the pdf formats will be accepted if the paper had been written in Latex provided that the pdf version of the camera ready paper strictly follows the publisher's template. If the paper is declined to be published by the publishers on plagiarism grounds and content development using tools like AI, ChatGPT, etc, ICAECT office will not undertake any responsibility to publish the paper in any other publications and there will be no refund for such papers.

Please do not hesitate to contact us for further queries (if any). Visit our website for the updates of ICAECT 2026.

We look forward to your participation in ICAECT 2026. Many thanks for your support to ICAECT 2026.

With Best Regards,

Dr. THANGAPRAKASH SENGODAN Ph.D.,

Conference Chair, ICAECT (2019 - 2026).
